Dear WCS Community,

An 8th grade Carter Middle School student was taken into police custody last night after an investigation found that he issued a threat to the school, which was reported to the administration at the end of the school day yesterday. I send this letter today to help promote the sharing of accurate information.

At no time was there a credible threat, and the student in question is no longer in school. As always, please continue to help your children understand that saying inappropriate things at school will most certainly get them into trouble.

I also commend the students who brought the information to the administration as it continues to demonstrate that our students are comfortable sharing difficult information with adults.

Please take some time tonight to talk with your children. If you have any questions, please contact the school.

Sincerely,

Robert D. Livernois, Ph.D.
Superintendent
