Using your building's data story and equity reflection, review your current improvement plan. Does this new information on equity lead to adjusting or adding any additional strategies or activities to your improvement plan? Indicate your goals below and any revisions for 2021-2022.

Goal 1	
SMART Goal Language	Our students needed a structured initiative to accelerate their development and close the achievement gap. It is the measurable objective that all students across subgroups (students with disabilities, English language learners, gender, racial/ethnic groups) will improve reading/mathematics scores as measured by the NWEA.
Continuation Goal (Yes or No)	Yes
Additional Strategies	<ol style="list-style-type: none"> 1. EL coaching is a strategy designed to differentiate instruction and engage all learners at their individual reading/mathematics levels, constantly challenging them to improve their skills. 2. Strategy implementation will be monitored quarterly using teacher commitment form. 3. Implementation will be monitored via lesson/log collection and walkthroughs. 4. Evaluation will be completed using NWEA reading/mathematics, EL LAS coaching evidence, and completing the MDE Program Evaluation Tool.
Additional Activities	<ol style="list-style-type: none"> 1. Supplemental coaching and EL instruction 2. Close and critical reading 3. SAT practice
